## YMCA REPORT FOR 1948 TELLS OF BEST YEAR IN ADULT, YOUTH PROGRAM

Fred Granholt, president of the Albany Y.M.C.A. board of management, this week released a report on what he characterized as "one of the best over-all programs for boys, girls, men and women that Albany has ever experienced in one year." His report showed a wide variety of activities beneficial to the community as a whole as well as to the individual. Outstanding among the many "Y" activities of the past year were those of the girls and boys in their Hi-Y clubs. Three Hi-Y clubs held 93 meetings with a total attendance of 1,000. While the three boys' groups met 97 times totaling an attendance of 2,126.

Among the many special activities participated in by the young members were parties, dinners, football and volley tournaments. Attendance of speaking engagements on a wide variety of subjects. Numerous boxes of food and clothing were prepared and mailed to families in Europe and Asia.

Physical education classes, group-according to grade school and high school, were attended by 3,980 boys and girls. 164 sessions. Girls held 96 sessions with a total of 2,184 attendance. Play periods, under supervision and coaching, totaled 76 with attendance of 1921. Included in the variety of games and skills were boxing, posture, corrective exercises, fundamentals in standard games such as basketball, volleyball and softball as well as many mass games.

Adult classes for men, women and married couples held 284 sessions with an attendance of 3,024. Highlighting the entire year of activities at the "Y" was the annual free learn-to-swim-campaign at the Berkeley YMCA. Of the boys and girls attending, approximately 67 passed the required tests. The regular swimming classes once each week brought an attendance of 2,666 to 99 sessions, an average of 27 per class. This swim team taught 134 youngsters, 124 successfully passing difficult tests.

Special vacation programs during summer and at Christmas time included sports events and a wide variety of parties as well as special theme conferences for Senior and Hi-Y officers and recruiting agencies for young people interested in welfare work as a vocation. Some 60 boys and girls participated in a summer camping program. Forty boys went to Camp Ulla, some for two weeks or more and 20 girls went to Camp Ulla.

The past year 30 different organizations used the YMCA building and equipment. Granholt pointed out that the "Y" building is open to any group interested in community development. It is also open to boys and girls or men and women who are interested in participating in a well-organized schedule of activities. The heavy schedule at "Y" sometimes makes it impossible to list all the activities.

## Albany Legion to Award Prizes at Necktie Party

By WALTER HOLLAND

Friday evening, Jan. 7, in the Memorial Building, Albany Post 292, American Legion will stage its second annual Necktie Party. This one will have no resemblance to the parties staged by the pioneers of old when they strung their victims by the neck to the nearest tree or crossbar. However, it may be that some should be strung up for the creations of neckwear they will appear with Friday night. Purpose of the party is to allow those attending to display the ties received as Christmas presents.

Judges Ray Bugge, Clarence O'Brien, Benny Bensted and Howard F. Hill (reputed to be the best dressed men of Albany Post) will look over the neckwear and judge the best in various classes, for which prizes will be awarded.

According to Edward Coulon, the Necktie Party pusher, suitable eye protection will be afforded the judges as they look over the array of color, sheen and splendor this event is expected to bring out. Says Coulon, "as there are pictures available of the winners in last year's contest, no tie worn at the party in 1948 will be allowed entry in this contest. It may be that proof will have to be given the committee in charge that ties in the contest are bonafide Christmas presents received by the entrant for Christmas of 1948."

Coulon also stated that no ties sent in by mail will be judged. To qualify, all ties must be worn by the owner at the time of the contest. Last year a number of ties were mailed in with no return address. Coulon suspects this was a sly scheme to be rid of unwanted gifts. He said all unclaimed ties from last year were sent to Ubangi tribes in darkest Africa. International complications have since sent in from this act, says Coulon. Rival warriors have battled for these splendid color schemes much to the consternation of governments who are charged with keeping peace among the savage Ubangis.

Before the Post gets down to the business of judging neckties, the first initiation ceremony of 1949 will be put on in full form under the direction of LeRoy W. Holland, membership chairman, with officers of the Post in full uniform doing the ritualistic work. Holland says he has about 27 recruits to go through the ceremony of initiation.

One of the big events coming up for the Post is Marine Night, scheduled for Jan. 21. The Marine veterans, under Joe Olson, Arthur Carlson, Richard McAllister, Don Karns, William Jones and Dewey Du France are getting the landing barges and other stuff ready to make the landing. Olson sends out the following from his headquarters: "All Army, Navy and Air Corp personnel be prepared for a rugged time when the Marines take over."

## U. C. Extension Courses Offered

One of the most comprehensive adult education programs ever undertaken by University of California Extension will be expanded during January as some 350 spring classes start in San Francisco, Oakland, and Berkeley.

Classes scheduled for the spring semester range from art to zoology with especially wide coverage being given business administration, engineering, music and social science subjects. An example of the interesting new courses is the group of instrumental music classes under the direction of the internationally renowned Griller Quartet, specialists in chamber music.

Classes are held in San Francisco at 540 Powell Street, 140 Montgomery Street, and at the San Francisco Conservatory of Music. In Oakland, classes are at 1730 Franklin Street; in Berkeley, Extension classes are given on the University of California campus.

Enrollment in most University of California Extension classes is open to everyone regardless of previous educational training. First meetings of all classes are open to visitors without charge. Announcements listing specific courses, meeting dates, instructors and fees may be obtained from all Extension Centers.

## Albany Soroptimist News By BEA RAYMOND

Well, as the King of England once said: "At long last," the holidays are over. The Times goes to press on regular schedule and we can get our news in.

We wound up the good old year of 1948 by having Elmer Coble, beloved by youth and adults alike for his splendid work at the YMCA as our speaker. He was introduced by program chairman, Hilda Granholt. Elmer outlined the hopes and aims of assistance to the youth of Albany which were approved by the entire Soroptimist Club. We were particularly impressed by the fact that he did not use the word "Juvenile Delinquency" but called it "Youth Problems."

We were happy to have with us as guests of Norma Carr, her sister, Mrs. Shadall, councillor for the girls of Fremont High School, Oakland, and her daughter, Jane Carr. Ruth Tonkin of Garry's Beauty Shop had as her guest, Martine Bacher of Photo Arts, Albany.

The tables were decorated in true New Year's fashion with serpentine and everything and each one present was given a gay tissue paper hat which made the meeting very festive.

President May Ellis Olson made a very impressive talk on the plans of the Soroptimist Club for the coming year, she indicated that much work will be done by the club and we, who know President May, sort of shivered in our boots because when May puts her mind to accomplishing something, she can be a "Simon Legree." No fooling.

## Exchange to Install Hamilton

Plans have been completed by Police Chief Stanley Williams, program chairman for the installation of officers by the Exchange Club on Tuesday night, Jan. 11. Members of the local club will meet at 7:45 p. m. at Spenger's in Berkeley for a dinner and installation meeting.

Jack Hamilton will be installed as president to succeed Henry Villa. Other officers include Sid Weinzeimer, vice-president; Louis Celia, treasurer and Harry Williams, secretary. The new officers were chosen at an election on Dec. 21.

New members on the board of control are Jay Gannett, Joe Calaver and Dr. George Hill.

Edwin S. Howell, one of the club's past presidents will act as installing officer. A past president's pin will be awarded to outgoing President Henry Villa.

## Letter From Germany Pleads for Aid to War Stricken Family

Addressed simply to "Mayor of the City," a letter came to Albany this week from the German city of Kassel in the American occupation zone. In closely written, slanting words the family of Juliane Mews asked for aid from some family in this city to help the mother, father and five year old daughter in their grim battle for life in a country ravaged by years of war and unrest.

Mayor Frank Hays read the letter at City Council meeting Monday night and expressed the hope that residents of Albany would join in sending aid to these stricken people.

Hays said persons wishing to contribute food and clothing to be sent to the Mews family should bring their donations to the fire house. Members of the fire department will prepare the contributions for shipping and see that they are sent on their way.

## National Honor To Be Awarded AHS Boy Scout

Edward Bertotti, 13 year old Boy Scout attending Albany High School will be awarded a Certificate for Heroism by the National Court of Honor Monday, Jan. 10 at 12:15 p. m. at the Durant Hotel, Berkeley. Bertotti qualified for the honor when he saved the life of Robert Davidson, 7, at Clear Lake on July 22.

Davidson was watching Bertotti fish when he fell off the pier into 20 feet of water. The heroic Scout tried to reach the lad from the pier but Davidson was too far away. As the struggling boy went down for the second time Bertotti swam out and using Scouting technique, towed him to safety.

Bertotti is the son of Mr. and Mrs. Joseph A. Bertotti of 1124 Gilman St. He is a member of Boy Scout Troop 48 of St. Ambrose Catholic Church.

The National Court which recommended the Certificate of Heroism includes such prominent members as Edward V. Rickenbacker, Dwight D. Eisenhower, Richard E. Byrd and J. Edgar Hoover.

The certificate is signed by Amory Houghton, president of the National Council of Boy Scouts of America, Dr. George J. Fisher, national Scout commissioner and Arthur A. Schuck, chief Scout executive.

Presentation will be made by the Berkeley District executive committee, according to Rex M. Ingersoll, assistant Scout executive.

## Two From Albany Elected to V.F.W. County Council

According to Ralph Beemer, commander of Albany Post 2658, two chairs on the Alameda County Council of VFW were awarded to members of the local post in a recent special election. Don Burnhams, Sgt. Major of the Albany Post was elected to the chair of chaplain and George E. Willis was named junior vice-commander. Beemer is junior vice-commander of the 14th District, VFW.

All VFW members are urged to attend a meeting of the Albany Post and the Alameda County Council to be held at the Albany Veterans' Memorial Building on the evening of Jan. 18.

Women of the Post's Auxiliary Unit sponsored a one hour variety show for patients of the Oakland Veterans' Hospital on Wednesday night, Jan. 5. Mrs. Dorothy Willis, hospital chairman of the Auxiliary arranged booking of the professional entertainers.

George Willis, chairman of the Post's New Year's eve party, reported a large turn-out for the gala affair held in the Memorial Building. He expressed the thanks of the entire post to those who attended to make the party such a grand success.

## New Creative Writing Course Now Enrolling At Evening School

Enrollment is now open in the creative writing class held each Thursday evening from 7:30 to 9:30 at the Albany High School, 603 Key Route Blvd. Instruction is offered to beginners, as well as trained writers, interested in preparing manuscripts for the magazine and book field, to learn some of the basic techniques of authoring.

Conducted by Marvin Rosenberg, writer and literary critic, this course is so organized as to encourage those enrolling to write original stories, poems, articles, novels and plays.

Harnessing the creative impulse, building dramatic conflict, analyzing plot structure and developing character are just a few of the many subjects covered in the course.

## COUNCIL VOTE FAVORS ADAMS STREET PARKING FOR BOWLING CENTER

After a brief but heated debate Monday night, City Council members voted 4-1 to rezone a portion of Adams St. for a parking lot. Rezoning from second residential classification to three-story commercial had been requested for the purpose of establishing a parking lot in conjunction with a proposed \$300,000 bowling alley and recreation center to be built on San Pablo Ave. at Clay St.

## Joe Villa Again Named to Head March of Dimes

Joseph Villa, local businessman, will head the Albany March of Dimes for infantile paralysis victims January 14-31.

In announcing the appointment, John F. Hassler, Alameda County

campaign chairman, commended Villa for his outstanding leadership in previous March of Dimes drives.

The local man was among civic leaders who attended a strategy luncheon in Hotel Learnington, Oakland, last week to make plans for the two-week campaign, most important in the history of the fight against dread polio.

Following the meeting he pledged an "all-out" campaign in which he urged every resident of Albany to participate. "We will lose the war against polio unless we marshal our dimes and dollars to care for victims of this dread disease now," he stated.

## Basketball School Is Developing Hot-Shot Hoopsters in Leagues

Interest continues to run high in the basketball school conducted by the recreation department in the high school gymnasium. Three leagues are going full tilt in a series of tournaments which are developing a high degree of skill among the boys participating.

The "Braves" are now leading the "A" league, Ken Cox is high point man of that league while Dick Heinzel crowds him with 42.

In the "B" league the "Invaders" are leading with Bill Capulato standing as high man in the entire tournament with 60 points.

The "C" league finds two tough teams, the "Schmoos" and the "Indians" tied for first place. A game to decide the champions of this league is scheduled for Saturday. Mel Tamm is high-point man in the "C" league.

## ART OF DRESDEN PAINTING OFFERED BY UNIQUE SHOP

Something new and unusual in fine art work for the Bay Area has come to Albany with the opening of Sheldon's Dresden Craft at 846B San Pablo Ave. Here women interested in painting dresden figurines and plaques may learn this unique craft and open the way to pleasant and profitable leisure hours.

At present, day and evening classes in dresden painting are available with instructions and supplies offered at a minimum cost. In addition to her work with dresden, Mrs. Sheldon is planning to conduct courses in other types of art work.

Action on the matter was postponed last week until all council members were present and a full study of the request could be made.

When Mayor Frank Hays opened the issue for discussion, Councilman Raymond Cleary moved the request be denied. After no second to Cleary's motion was made, Councilman Charles F. Graeber moved to grant the appeal with a second by Councilman Bert E. Hill. On the vote Cleary voted "no" against "ayes" of the other members.

On the discussion, Hill said insufficient on-street parking was one of the city's major problems and that parking lots would be one answer. He pointed out that potential shoppers, unable to find parking space here, will shop in neighboring cities.

Cleary asked that if the rezoning was granted, it be with a definite understanding that the tract could be used only for a parking area.

City Attorney George Glavinovich explained that under the present city zoning ordinance any type of building approved by the building inspector could be erected on a three-story commercial lot.

In making his motion Graeber pointed out that the Park Planning and Zoning Commission had favored the rezoning in a 4-1 vote. "We have appointed men to the commission for their abilities in these matters," he said, "I think the council should back them up in their decisions."

Following the council meeting, Frank Lacey, head of the group planning to build the bowling alley said plans were to break ground on the site about Feb. 15. The center is expected to open for business by Aug. 1 of this year.

Other Council business included a rejection of all bids on the 1915 Seagrave model fire truck put up for auction by the fire department. Bids for \$40 and \$100 were received by City Clerk Myrtle McLean.

Fire Chief Fred Pimental is considering a recommendation to the council on disposal of the machine.

## Rotary Club to Host Football Players Monday

Next Monday's noon meeting of the Albany Rotary Club has been designated "Albany Cal Day" and the Rotarians will host former Albany High School football players, according to Elmer F. Coble, program chairman for the year.

One of the visitors will be Herb Selmalenberger, first Albany football player to make the California varsity squad and first to play in the Rose Bowl. Also present will be Dr. A. Arnold, now a physician practicing in Berkeley, who was on the first Albany High football squad. Another guest will be John Ryan, who coached the first Albany team to play in the Alameda County Athletic League. Ryan is now teaching mechanical drawing at Albany High.

Fred Lope, program chairman for the day, plans to bring to the meeting one of the young post-graduate students sponsored at UC through the Rotary foundation.

At last Monday's meeting Rotarians heard Oakland Police Inspector Don Ainsworth speaking on "Heels Cooled While You Wait," a discussion on fictitious checks. Albany Police Sergeant Turkey was program chairman for the day.

## Agabashian to Drive in First West Coast Indoor Racing

Fred Agabashian will represent Albany Saturday night, Janu-  
ary 8, at the Oakland Exposition Building when Indoor Auto  
Racing makes it's bow on the West Coast.

Two weekly shows, Saturday and Sunday nights, will be  
staged for six weekends from January 8-9 through February  
12-13. Time trials will start at 7 p. m. with the Trophy Dash at  
8:30 p. m.

Never before have indoor auto  
races been held west of Chicago,  
according to Bob Barkhimer, Man-  
ager of the Bay Cities Racing As-  
sociation.

The January 8 opening will of-  
ficially start the 1949 racing season  
and will mark the 16th year of the  
indoor auto racing sport.

Over thirty top drivers will vie  
for the Winter Indoor Champi-  
onship of California.

Johnny Parsons, now driving in  
the Chicago Amphitheater will pilot  
a new car here in the first show,  
Barkhimer said.

The three-time Champion, Fred  
Agabashian, will begin his fight for  
the 1949 Championship against Par-  
sons, AAA Mid-West Champion,  
Johnny Boyd, Johnny Soares, Fred  
Friday, Ed Normi, Marvin Burke,  
Lyle Johnston, and a host of others.

Johnny Smith, Inter-Mountain  
Champion and Fred Bradford, ace  
driver of the Rocky Mountain Ra-  
cing Association, will compete for  
titular laurels.

The Exposition Building, locale  
of the new Speedway, will house a  
new type of racing—Broadsliding  
on the flat, asphalt turns.

Editors:

The employees of Codornices Vil-  
lage wish to express their thanks  
to you for your publicity on our re-  
cent campaign for used toys which  
were repaired and distributed to  
children of the Project. We also  
wish to thank the many readers of  
your paper who contributed toys,  
dolls, scooters, tricycles, games, etc.  
Toys were distributed to more  
than 300 children in the Project,  
many of whom would have had no  
Christmas presents at all if it had  
not been for the generous contribu-  
tions made by Bay Area residents  
and business concerns.

Sincerely yours,  
PAUL A. GAGNON,  
Chairman, Codornices Employees',  
Christmas Committee.

Editor:

As the 42nd annual sale of Tub-  
erculosis Christmas Seals comes to  
a close, we take this opportunity  
to thank you for your continued  
support throughout the year. The  
publicity you gave the services of  
the Alameda County Tuberculosis  
and Health Association and the  
Christmas Seal Sale in your publi-  
cation is invaluable. It is of great  
importance in helping the Associa-  
tion to carry on an effective con-  
trol program in Alameda County.

May 1949 bring you and the mem-  
bers of your staff every happiness.

Sincerely yours,  
MARIE AJEMIAN,  
Assistant Health Educator.

All over Alameda and Contra Costa County Jan. 5 and 6 March of Dimes chairmen and their fellow campaign workers distributed the newly designed coin collectors to stores, banks and to other retail merchants. A little infantile paralysis victim, 4-year old Johnny Harris, has the honor of being the first Contra Costa resident to make a donation. He is shown with his mother, Mrs. Jannetta Harris, 907 H Street Antioch. Picture was taken at the Walnut Creek Polio Clinic, conducted each week by Mrs. Mary Doyle, of Danville, who is one of two physio-therapists maintained by Contra Costa Chapter, National Foundation for Infantile Paralysis.

## This Year It's Different

If the pelting rains and heavy snows to date are a yardstick of weather to come, California is due for its first "normal" winter in many a year. Some forecasters even predict unofficially that a record "wet" year may be in prospect. Come what may, however, California can sit back and take what winter brings in stride for a change.

There is little or no threat of a power shortage. In fact, the State's power companies report that wartime delayed expansion programs are being rushed toward completion in the biggest power-building program underway in the Nation today. More than 400,000 new horsepower have been added to systems in Northern and Central California alone—and a million and a half more horsepower are scheduled for addition within the next three years. But let the rain and snow continue. It's more than welcome.
